## @TARIL Switchgear Announces the Launch of the 245 kV High Voltage Bushings

Manufacturing Excellence: Air-to-oil and oil-to-oil bushings manufactured at our state-of-the-art facility at our Changodar, the 245 kV high voltage bushings undergo rigorous quality control measures to ensure the highest standards of excellence. First order executed for Jammu & Kashmir Power Department in January 2025

### Key Features and Benefits:

- Sustainability: Engineered with eco-friendly materials and processes to support a sustainable future
  - Reliability: Built to deliver unmatched performance under the most demanding conditions.
- FMEA-Enabled Assurance: Incorporates Failure Modes and Effects Analysis to ensure superior quality and reliability

*“Empowering a Sustainable Future with Unmatched Reliability and FMEA-Enabled Assurance”*

# @Awards & Accolades

Thanks  
a  
BURCH!

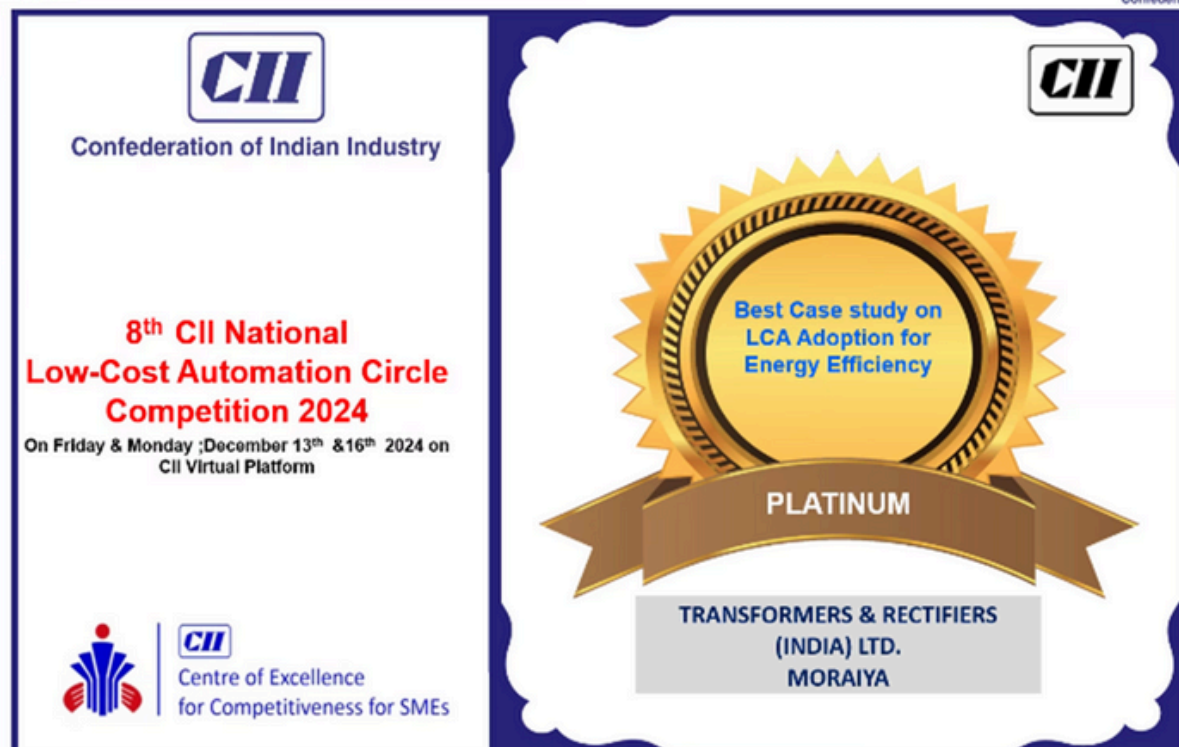

# @Service Excellence Award

# @Platinum Award

Transformers and Rectifiers has participated in 8th CII National Low Cost Automation (LCA) Circle Competition & Won “Platinum AWARD” for “BEST CASE STUDY ON LCA ADOPTION FOR ENERGY EFFICIENCY” category.

This achievement solidify our commitment towards bringing Continual Improvement across the organization  
Congratulations to TARIL Family !!

# @Tested Successfully

Taril has achieved a milestone with successful completion of Short Circuit Test on 8.8 MVA 33/2X0.690 kV Inverter Duty Transformer having **Aluminum Winding**, conducted at CPRI (Central Power Research Institute), Bangalore.

We have manufactured this transformers for our esteemed customer “Avaada Clean Projects Pvt. Ltd.”

## Restoration of Drinking Water (RO) Facility – Changodar Govt. School

Access to hygienic and clean drinking water is a basic necessity for everyone, especially children. Recognizing this need, as part of our Corporate Social Responsibility (CSR) initiatives, we have ensured to provide clean & hygienic drinking water at Changodar School by restoring the RO facility. Alongwith this, we will also ensure preventive maintainance and breakdown services whenever required. This initiative underscores Taril's dedication to sustainability, health and community welfare.

The Changodar School authorities expressed their heartfelt appreciation and gratitude to the Taril Family for this valuable contribution during their school event on January 26, 2025.

### Objectives of the Initiative:

- ✓ Enhancing health and hygiene among students and staff
- ✓ Preventing waterborne diseases through safe drinking water
